***Condition :**

Only consider VISA trainees who have completed or are eligible to sit for the Royal College of Physicians/Surgeons of Canada exam in Obstetrics/Gynecology as a prerequisite

The application package **must include all of the following items:**

1. A letter from the sponsoring agency which confirms full financial support for the duration of the residency or fellowship program
2. An up-to-date curriculum vitae which includes the applicant's date of birth, citizenship and email address
3. A notarized copy of the medical degree (with English translation, where applicable)
4. A notarized copy of the specialty certification (with English translation, where applicable)
5. Three letters of reference **on letterhead**, signed and dated within two years of the date of application
6. Medical Council of Canada Qualifying Examination Part I Results
7. English is the language of study at the College of Medicine, University of Manitoba. All applicants whose first language is not English must submit proof of proficiency

Acceptable English language tests:

[International English Language Testing System \(IELTS\)](#) with a minimum score of 7 in each component and an overall band score of no less than 7. IELTS will be considered valid for 2 years from the date taken

[Occupational English Test – Medicine \(OET-Medicine\)](#) with a minimum grade of B in each of the four subsets in the same sitting; or

[Canadian English Language Proficiency Index Program – General \(CELP-IP-General\) Test](#) with a minimum score of 9 in each of the four skills in the same sitting

Applications lacking any of these items **will not be considered** until the package is complete.
