

Curriculum Review Process

Education Committee submits the program curriculum document to Curricula Section

Curricula Section reviews the curriculum document according to OMSB & ACGME-I requirements

Curricula Section sends a "Change Letter" with suggested changes to Education Committee to modify (within 3 weeks of the date of letter)

Modify & re-submit the Curriculum Document

No

Education Committee accept the modifications?

Yes

Education Committee re-submits the curricula document after updating and modifying according to the suggested changes

For major changes only: If there is major change in program duration, DIO forwards duration changes to the Executive Board & Board of Trustees for approval.

Modify & re-submit the Curriculum Document

No

Executive Board Approval?

Yes

Modify & re-submit the Curriculum Document

No

Board of Trustees Approval?

Yes

Curricula section is informed of the approval

Curricula section informs the program & Accreditation Committee of the approval and implementation details

Program Implements the curriculum accordingly
